## Projects

### Brew Haven (Coffee web design and develop) -HTML, CSS, JavaScript, Bootstrap, Figma

- **Design:** [https://www.behance.net/gallery/211406529/Brew-Haven-\(Coffee-Web\)-UI-Design](https://www.behance.net/gallery/211406529/Brew-Haven-(Coffee-Web)-UI-Design)
- Designed a modern, user-friendly web interface for a coffee brand. Focused on creating an intuitive browsing experience with visually appealing elements that enhance the brand's identity.
- Integrated clean typography, warm colour palettes, and structured layouts to improve usability and engage users.
- Demonstrated skills in UI design, wireframing, prototyping, and brand-oriented aesthetics.

### Sports Academy Website - Html, Css, Figma, Adobe photoshop

- **Design:** <https://www.behance.net/gallery/199213451/Sports-Academy-website-UI-Design>
- Created a sleek, engaging interface for a sports academy's website, focusing on user-friendly navigation and dynamic visuals to showcase programs and activities.
- Employed vibrant colours, interactive elements, and clear typography to appeal to a broad audience.
- Enhanced user experience through structured layouts and intuitive design, showcasing skills in UI design, prototyping, and user-centred aesthetics.

### Tip Calculator App- HTML, CSS, JavaScript, Bootstrap

- Developed a user-friendly Tip Calculator Application to **simplify the process of calculating tips** and splitting bills among multiple people.
- It instantly calculates the total tip amount, tip amount per person, and final total bill per person, eliminating manual calculations. by prompting users to enter the total bill amount, the number of people splitting the bill and desired tip percentage.
- It saves time and effort by automating tip calculations which cuts tip calculation time by at least **60%** and **improves the user experience by 80%**.

## Additional

### Certifications

- **GRAPHIC DESIGN**-Udemy Certificate
